

SOUND PANELS **LIMITED WARRANTY (3 Years)**

Armstrong's i-ceilings Sound Panel is warranted, when the product has been used in accordance with our published operation and installation instructions, to be free from defects in materials and workmanship for a period of three years from the date of manufacture. Sound panels returned and found to be defective, solely at Armstrong's discretion, will either be replaced or repaired without charge. The replaced or repaired panel is warranted for the remainder of the original warranty period.

In addition, this Sound Panel is warranted against sagging or warping as a direct result of defects in materials or workmanship for the same term as set forth above.

This limited warranty is subject to further conditions outlined below.

- A. Armstrong will not be responsible for defects caused by improper or unreasonable use, water intrusions, lightning, or malfunctions when panels have been modified or operated in excess of their rated capacities, altered, serviced, or installed in an other than workman-like manner.
- B. This warranty also does not cover defects caused by moisture/liquid damage to the speaker panel due to humidity, solvent, caustic or acidic vapors, or by any other type of liquid or vapor. The speaker panels are intended to be used in "normal" commercial environments, which means indoors, at 0 to 95% relative humidity. Relative humidity in excess of 95% constitutes a "wet" condition which leads to the degradation failure modes. Failure mode is malfunction of the transformer, voice coil, driver or speaker membrane resulting in degraded speaker performance.
- C. Armstrong does not assume nor does it authorize any person to assume or extend on its behalf, any other warranty obligation or liability.
- D. Notice to Armstrong of Warranty Claim. Armstrong must receive written notice at the address referenced above within thirty (30) days after first observation of defects covered by this warranty. After an inspection has been conducted, a written authorization to return must be issued by Armstrong prior to any return.
- E. The foregoing constitutes Armstrong's entire obligation, and there are no other warranties, expressed or implied, including any warranty of merchantability or fitness for any purpose whatsoever. Liability is limited to the above, and Armstrong shall in no event be responsible for any installation or replacement cost or for lost profits, incidental or consequential damages, loss or expenses other than to replace or repair the sound panel itself.
